

SWBV3001

34.38" x 29.5" x 23.25" (H x W x D)

30" wide built-in undercounter combination wine and beverage center with seamless SS trimmed glass doors with a French swing, digital thermostat, locks, and mix of wine and glass shelves

Highlights:

Unique dual zone design lets you store wine and colder beverages under different temperatures

Flexible design allows built-in or freestanding use in 30" wide spaces

Stainless steel trimmed glass doors feature modern French door swing

Digital controls offer easy and intuitive temperature management

Product Features:

Built-in capable	Make the best use of space by installing this unit under the counter and flush with other cabinetry
Dual zone design	Two distinct temperature zones let you store wine between 41° and 65°F and other beverages between 40° and 50°F
Seamless stainless steel trimmed door frame	Single-piece door trim offers a more deluxe look
Glass doors	French door swing offers a modern look
Adjustable glass shelves	Spill-proof glass shelves in beverage compartment offer flexible storage with easy-cleaning convenience
Full extension slide-out shelves	Wooden shelves in wine compartment securely glide all the way out for easier loading and unloading
Wire basket	Convenient pull-out basket is great for storing the little extras in the beverage compartment
Recessed LED lighting	Gentle and energy efficient LED lighting offers an elegant view of stored items
Digital thermostats	Each zone is equipped with electronic temperature controls for easy and intuitive temperature management, with a readout that can be displayed in Celsius or Fahrenheit
