

NAPA

24" French door Wine Cooler - DWC047D1BSSPR

PRODUCT DESCRIPTION

The Napa is the perfect wine cooler for the stylish entertainer that likes to keep a variety of red and white wine selections on hand and to ensure their favourite varietals are continuously stored at the ideal temperature for their guests' ultimate enjoyment.

- French door design allows for two independently controlled temperatures zones and will store up to 42 bottles of wine, 21 bottles in each zone
- Precise digital thermostat with LED display can be set and monitored through the door
- Select a temperature between 5C – 18C (41F - 64F) and the frost free fan forced cooling maintains and even internal temperature throughout the zone
- Prowave liner allows the storage of larger diameter bottles of wine at the bottom
- Our Proglide shelving system features 1.5" stainless steel ball bearing glides for full extension and easy access
- Anti-vibration technology is integrated into the shelf minimizing the transfer of vibration to the bottles
- Energy efficient white LED interior display lights illuminate the interior
- Low E glass helps filters harmful UV light
- Smudge resistant stainless steel door and pro handle with matching shelf trim
- Zero-clearance hinge system allows for a flush fit against cabinets
