SUMMIT

SWBC3041

34.25" x 29.5" x 23.38" (H x W x D)

30" wide built-in undercounter indoor/outdoor combination dual zone wine cellar and kegerator with tapping equipment included

Highlights:

Unique combination wine cellar and kegerator with single compressor operation

Weatherproof construction allows easy use in outdoor settings

Flexible design allows built-in or freestanding use

Product Features:

Combination wine cellar and beer kegerator	Single compressor operation with two distinct temperature zones allows you to preserve and display wine on the left while tapping draft beer on the right	
Complete tap kit for serving beer	Includes all the tapping equipment you need to serve beer from a sixtel keg, with a stainless steel tower and faucet, CO2 tank, and regulator	
Indoor/Outdoor compatible	Durable, weatherproof construction designed to hold up to the elements	
Built-in capable	Front-breathing design allows the unit to be built-in under counters	
Dual zone operation	Each compartment features a wide range between 34 and 72°F, allowing you to find the right temperature for a variety of wine and beer	
Factory installed locks	Keyed lock on each door provides security as needed	
Stainless steel exterior	Cabinet, kegerator door, and wine cellar door trim feature stainless steel construction for a professional look with lasting durability	
Frost-free	No-frost operation for minimal user maintenance	
Fan-forced cooling	Internal fans ensure both interiors have a consistent temperature from top to bottom
